To Whom so it May Concern

It is to certify that Agra Public Pharmacy College has implemented various security measures in its campus to ensure the safety of our students & staff members.

Among security measures, we focussed on various fire safety management system, structural safety, how to deal with violence and ragging in Institution, how to protect woman from sexual harassment etc.

These demand needs a decent amount of accountability from Institution, apart from a holistic approach for tackling the situations. These needs requires for a proactive collaboration on establishing & monitoring safety procedures applicable to infrastructure, resources, transport, on the emotional and physical well being of students within its campus to create a safe learning environment.

Direction for security measures followed in campus -

- (1.) Institutions has install CCTV cameras at all vulnerable area with in its campus and to limit the entry of outsides within its promises.
- (2.) Proper verification & record of all the teaching & non teaching employees are maintained.
- (3.) Various committees for redressal of grievances of the staff, parents and students are constituted and Institution also from an internal committee for complaint (ICC) regarding sexual harassment under protection of woman at work place (Prevention, Prohibition & Redressal Act 2013).
